## The NLI Resource Hub: A New Tool for Educational Resources

In an ongoing effort to enhance the accessibility and impact of our educational materials, the Natural Learning Initiative (NLI) has launched the [NLI Resource Hub](#), a user-friendly, filterable search engine designed to streamline access to our extensive collection of free online resources. This development was made possible through the [2023-2024 DELTA Exploratory Grant...read more](#)

## NC Solar Farm: Agrivoltaic Visioning Workshop

With the adoption of a recent Climate Action Plan, Orange County, North Carolina, intends to deploy strategies and actions to reduce greenhouse gas emissions, increase renewable energy capacity, and support resiliency within the community...[read more](#)

## Kids Together Playground Interactive Virtual Tour

Kids Together Playground, a universally-designed, family recreation space in Cary, NC, opened in 2000, designed by NLI's Robin Moore in collaboration with Little and Little and staff landscape architect, Robb Harrison. The park's creation was rooted in a community-driven design process, making it a standout example... [read more](#)
